

Cincinnati Chapter of PAMA

October 19, 2011

This month we will set up the NIDA navigational lights troubleshooting board. The NIDA board allows us to simulate up to eight faults in the electrical systems. Teams will compete to see who can find the faults the quickest. The winning team members will receive a 32 piece Williams tool set, complements of PAMA.

Don has between now and the 19th to determine what dinner. So if you have preferences drop me an e-mail. Our nominal fee for dinner is still three US dollars.

The meeting is on Wednesday, October 19th at the Kroger hangar, Hangar #33, 640 Wilmer Ave. starting. Dinner is from 6:00 to 7:30 PM. The business meeting starts about 7:30 PM and the competition starts at 8:00. Please note - no alcoholic beverages will be served during this meeting.

PAMA Symposium

Great Lakes Airworthiness Symposium – message from PAMA Board of Directors.

We regret that due to scheduling conflicts with key industry partners, the PAMA Board of Directors decided to cancel the upcoming Great Lakes Airworthiness Symposium. PAMA is looking forward to partnering with other industry affiliates' conferences and programs in the Great Lakes Region in upcoming months. PAMA is dedicated to continuing our mission to serve our members and advance the AMT industry.
