

CENTRAL OHIO PAMA
P.O. Box 340494
COLUMBUS, OH 43234-0494

June 3, 2010

Dear Business Aviation Associate:

The Central Ohio Professional Aviation Maintenance Association (COPAMA) is celebrating it's ninth successful year of service to the aviation community. We are the local chapter of PAMA National, the most recognized organization for the Aviation Maintenance Industry.

We are soliciting sponsorships in the amount of One Hundred Fifty Dollars (\$150.00) annually to help fund our local PAMA Chapter. One Hundred Dollars will be earmarked for our scholarship fund and the remainder used for general operating expenses. We are proud to report that, with the help of our generous sponsors and fundraising events, we have raised and distributed over \$50,000 in scholarships to Aviation Technicians since our establishment in 2001. We also participate in the District Science Day held at Columbus State Community College by awarding financial gifts to the top 3 aviation related entries and provide educational opportunities to our members at our monthly meetings.

If you wish to contribute and be a part of our corporate membership, please complete the enclosed form and submit it along with your payment.

With your approval, by checking the appropriate box on the registration form, you will be recognized as a corporate sponsor and listed on COPAMA's web site, www.copama.org. This listing will include links to your web site and a contact person of your choice. If you would like to sponsor a meeting and/or supply a presenter to speak on aviation related topic, please contact us by email at mail@copama.org.

Our Vision

To be the leader in promoting professionalism and recognition of the
Aviation Maintenance Technician.

The purpose of the **Professional Aviation Maintenance Association** is to promote a high degree of professionalism among aviation maintenance personnel; to foster and improve methods, skills, learning, and achievement in the field of Aviation Maintenance; to conduct national, state, and local meetings and seminars; to recognize achievement in our field; to publish, distribute, and disseminate news, technical bulletins, journals and other appropriate publications dealing with the trade of Aviation Maintenance; to collaborate with other organizations in aviation; to address the queries of governmental agencies pertaining to maintenance rules and guidelines.

Thank you in advance for your participation!
