Join us for a night of food, fun and airplanes, all to benefit Youth Aviation Adventure (YAA). The mission of Youth Aviation Adventure (YAA) is to introduce young people to the exciting world of aviation, unraveling the wonder and mystery of flight, in a high-quality, engaging and educational program. It is YAA's stated purpose to bolster the ranks of young people learning to fly and/or choosing careers in aviation so the United States can maintain a viable domestic aviation industry and continue as the world leader in aviation technology, training and manufacturing.

You'll enjoy delicious Hors D'oeuvres; beverages; displays of interesting aircraft; and a Silent Auction featuring great aviation related items, as well as gift certificates to local restaurants & attractions.

You'll meet the Leadership Team and volunteers that make YAA one of the fastest growing youth aviation programs in the nation, with 21 Program Partners in 14 states!

There is no cost to attend, but registration is required. You can register by sending an e-mail to info@youthaviationadventure.org. Registration deadline is August 18, 2012.
